

How do I Access my Working at Heights Proof of Training?

Workers should have a copy of their current Working at Heights proof of training with them on the job. If a Ministry of Labour inspector visits the job, you may be requested to present proof of training or risk being fined and/or pulled from the job. Proof of training is no longer sent in the mail

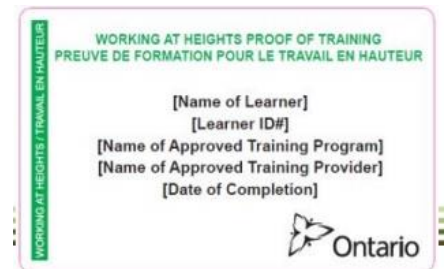

As an employer, it is your responsibility to ensure that employees have a valid Working at Heights training from an approved provider. Employers must keep a copy of the Record of Training (proof of completion document).

How to Obtain your Learner ID # (MLTSD Learner ID):

MLTSD Learner ID is provided to participants via e-mail after course completion. If you have lost this card, you may request a replacement card by contacting the **Ministry of Labour, Training and Skills Development**

Ontario  Phone: 1-877-202-0008 or Submit an Online Request
